

## **CURRICULUM VITAE**

**JOHN CLAUDE KRUSZ, Ph.D., M.D.  
5446 Glen Lakes Drive, Dallas, Texas 75231**

### Personal:

Born in LaCourtine, France on March 7, 1946. Citizenship: United States.

### Education and Post-Graduate Training:

1963 -1969 St. John's University College of Pharmacy, Jamaica, New York.  
(Bachelor of Science in Pharmacy)

1972 Vanderbilt University School of Medicine, Department of Pharmacology,  
Summer Program in Neuropsychopharmacology (ASPET  
sponsorship), Nashville, Tennessee.

1969 –1974 State University of New York, Downstate Medical Center,  
Department of Pharmacology, Brooklyn, New York.  
(Ph.D. in Pharmacology)

1976 Georgetown University School of Medicine, Department of Anatomy  
Summer Program, Washington, D.C.

1979 Dartmouth College, Rassias Foundation Studies in French Language,  
Hanover, New Hampshire.

1979 –1981 (portions of) Faculte Libre de Medecine, Lille, France – finish  
second Year medical studies under auspices of the  
C.I.M.E. Program.

1981 – 1983 State University of New York at Buffalo School of Medicine, Buffalo,  
New York.

M.D. degree awarded in 1983

1983 – 1984 Intern, Baylor College of Medicine Affiliated Hospitals, Department  
of Internal Medicine, Houston, Texas.

1984 – 1985 Resident, Baylor College of Medicine Affiliated Hospitals,  
Department of Neurology, Houston, Texas.

1985 – 1986 Resident, Downstate Medical Center and Kings County Hospital,  
Department of Neurology, Brooklyn, New York.

1986 – 1987 Chief Resident, Downstate Medical Center and Kings County

Hospital, Department of Neurology, Brooklyn, New York.

1986 Epilepsy Minifellowship (with Dr Kiffin Penry) at Bowman-Gray Medical School, Durham, North Carolina

1987 – Present - Private practice, Neurology, Dallas, Texas.

**Degrees and Licensure:**

B.S., St. John's University, 1969.

Ph.D. (Pharmacology), State University of New York, Downstate Medical Center, 1975.

M.D., State University of New York at Buffalo School of Medicine, 1983.

Licensed to practice medicine in Texas and New York. (N.Y.license currently not active)

**Board Certification:**

Former Diplomate, American Board of Neurology and Psychiatry. [ABMS] -through end of 2016, now re-boarding through NBPAS.

American Board of Electroencephalography and Neurophysiology (Board Certification in EEG). [non-ABMS]

Board Certification in Pain Management ( American Academy of Pain Management).[non-ABMS]

Board Certification in Quantitative Electroencephalography ( American Board of Electroencephalography and Neurophysiology) [non-ABMS]

**Military Service:**

1971 – 1983, Captain, Biochemist, New York National Guard, 825th Medical Laboratory, Brooklyn, New York.

**Positions and Appointments:**

1969 - 1971 PHS Pre-Doctoral Trainee, State University of New York, Downstate Medical Center, Department of Pharmacology, Brooklyn, New York.

1971 - 1974 Teaching Assistant, State University of New York, Downstate Medical Center, Department of Pharmacology.

1976 - 1977 Instructor, Manhattan College and the College of Mount Saint Vincent, Department of Psychology and Biology, New York City.

1977 - 1978 Adjunct Assistant Professor, Jersey City State College Graduate School, Psychology Department, Jersey City, New Jersey.

1977 - 1979 Post-Doctoral Research Fellow, Medical College of Pennsylvania, Department of Pharmacology, Philadelphia, Pennsylvania.

1977 - 1979 Instructor, Pennsylvania College of Podiatric Medicine, Department of Pharmacology, Philadelphia, Pennsylvania.

1977 - 1979 Assistant Professor, Temple University, Department of Health Education, Philadelphia, Pennsylvania.

1978 - 1979 Assistant Professor, Temple University, College of Allied Health Sciences.

1979 - 1980 Instructor, Gwynedd-Mercy College, Division of Natural Sciences, Gwynedd Valley, Pennsylvania

1985 - 1987 Clinical Assistant Instructor, Downstate Medical Center, Department of Neurology, Brooklyn, New York.

1986 - 1987 Clinical Assistant Instructor, Downstate Medical Center, Department of Psychiatry, Brooklyn, New York.

1987 - 1990 Consultant, New Medico Head Injury Systems.

1988 - 1990 Medical Advisory Board, Nautilus Corporation

1989 - 1992 North Texas Society of National Multiple Sclerosis Society, Chairman, Professional Advisory Committee

1989 - 1993 North Texas Chapter of National Multiple Sclerosis Society, Executive Board

1990 – 1995 Medical Director, Neurologic Studies and Treatment Foundation, Rockwall, Texas

1991 - 1995 Advisory Board, Kimberly Quality Care

1992 – 1998 Editorial Advisory Board, Journal of Pain Management (American Academy of Pain Management)

1992 - 1995 Medical Director, Nurse Finders

1993 – 1995 Medical Director, Inpatient Headache Unit, Dallas Rehabilitation Institute

1993-2010 National Speakers Bureau, GlaxoSmithKline

1993 – 1995 Faculty Member, Pain Net Education, Inc.

1994 – 1998 Committee Chairman, Special Interest Network in Headache, American Academy of Pain Management

1994 - 1995 National Medical Advisory Board

1994 - 1996 Board of Directors and Clinical Director, Headway Homes of Texas

1994-1995 Examiner, Neurology Board Examinations for Residents and Fellows, University of Texas Southwestern Medical School, Dallas

1995 – 1998 Texas Brain Injury Association, Board of Directors

1996 - 2004 Adjunct Faculty, Department of Psychology, Southern Methodist University

1997- 1998 Examiner, Allied Medical Consultants

1998- 2009 Headache Advisory Board, Glaxo-SmithKline Inc

1998- 2005 Migraine Advisory Board, Merck and Co, Inc

1998- 2006 Migraine Advisory Board, Astra-Zeneca Pharmaceuticals

1998 - 2009 National Speakers Bureau, Pfizer, Inc

1997 – 2008 Facilitator, Migraine Education Program, Primary Care Network

1998 - 2008 Advisory Board, Primary Care Network

1998- 2006 National Speakers Bureau, Ortho-McNeil Pharmaceutical Co

1998-2006 National Speakers Bureau, Novartis Pharmaceutical

2000-2007 Advisory Board, Elan Pharmaceuticals

-2007 Committee Chair, SIG, New Therapies, North Texas Pain Society

2001-10 Board Member, M.A.G.N.U.M.(National Migraine Awareness Group Understanding Migraine) Association

2001- 2005 Associate Editor, Pain Net-on-Line

2001-4 Advisory Board, UCB Pharma, Inc

2001-2004 Co-founder, National Deaf People's Institute, Dallas, Texas

2004-2008 Faculty Advisory Committee, Argosy University, Dallas, Texas

2005 to present Board of Directors, Texas Pain Society

2009 to present Medical Director, Texas Medical Infusion, Inc

2011 to present Emeritus Board Member, Texas Pain Society

**Membership in Learned Societies:**

Dallas County Medical Society  
Texas Medical Association  
Texas Neurologic Association  
American Academy of Neurology  
American Board of Electroencephalography and Neurophysiology (Vice-President)  
American Association for the Advancement of Science  
American Headache Society  
International Headache Society  
Serotonin Club  
Electroencephalography and Clinical Neurophysiology Society  
International Association for the Study of Pain  
American Academy of Pain Management  
American Pain Society  
Texas Pain Society  
Greater North Texas Pain Society (President)  
National Brain Injury Association  
American NeuroPsychiatric Association

**Honors:**

New York State Regents Scholarship  
Deans Honor List, 3 years, St. John's University  
Eli Lilly Achievement Award  
Phi Delta Chi Award for Extracurricular Activities  
Tom Dean Humanitarian Award, Brain Injury Association of Texas, 1994  
1995 American Academy of Pain Management Attendance Award  
1999 " " " " " " " "  
2003 Texas Psychological Association Clinician of the Year Award  
2005- Award for Innovative Research, Allergan Laboratories

**Research Experience:**

Undergraduate: (St. John's University)

Behavioral correlates of acute marihuana toxicity.

Gas chromatographic analysis of active principles from digitalis

and belladonna species.

Synthesis of polypeptides with anticholinesterase activity.

1969-74 Graduate: (State University of New York, Downstate Medical Center, Department of Pharmacology)

Assay of glucuronyl transferase activity in rat liver.

Effects of opiates on tissue culture preparation.

Studies of the effects of drugs on neuromuscular transmission in guinea pigs vas deferens.

Ph.D. thesis research on "Occurrence and experimental alterations of endogenous 5-hydroxytryptamine in peripheral sympathetically-innervated organs." (Under direction of Dr. Arun Wakade, Associate Professor, Department of Pharmacology, SUNY, Downstate Medical Center). Chairman of Department was Professor Robert F Furchgott (Nobel Laureate-1998)

1977-1979 Post-Doctoral: (Medical College of Pennsylvania, Department of Pharmacology)

Evaluation of the role of taurine in various brain areas, especially the pineal gland.

Development of assay system for taurine using high pressure liquid chromatography.

Investigation of the role of taurine in the proliferation of leukemias.

Clinical evaluation of endotracheal epinephrine in models of anaphylactic shock.

Surgical and pharmacological studies of the mode of action of bretylium.

### ***Current Research:***

1989 to 1991 Evaluation of sumatriptan in migraine headaches, Phase III Clinical Trial (Glaxo Laboratories). Tablet study

1993 to 1994 Evaluation of sumatriptan in migraine headaches, Phase III trial (suppository form) (Glaxo Laboratories).

1994 Clinical trial of felbamate in epilepsy.

1995 A.L.E.R.T. (Adjunctive Lamictal in Epilepsy and Response to Treatment) (Burroughs-Wellcome)

1995 Neurontin - Clinical trial (Parke-Davis Co)

1997 T.R.A.I.T.S. study - clinical trial of topiramate in epilepsy (Ortho-McNeil Co)

1998 Pregabalin in low back pain – Phase III double-blind clinical trial (Parke-

Davis)

1998 Pregabalin in seizures- clinical trial (Parke-Davis)

1998 OxyContin in low back pain - clinical trial (Purdue-Pharma)

1999 Tramadol (Ultram) in low back pain - clinical trial (Ortho-McNeil)

1999-2001 Sumatriptan/Naratriptan migraine recurrence study (with Dr Robert B Nett,MD, San Antonio) (investigator-initiated study supported by GlaxoWellcome)

1999-2001 TARGET study - clinical trial with lamotrigine in seizures (GlaxoWellcome)  
Study with Naratriptan for migraine preference (ClinVes Migraine Headache Therapy: Imitrex tablets versus Current Non-triptan Therapy (IMPACT Study) GlaxoWellcome Protocol #SUM40260)

1999-2001 MAPS and MAPS II and MAPS !!! Studies with Rizatriptan Merck, Co

2001-2002 Topiramate (Double-blind) study in migraine (RWJPRI) (TOMAT-MIGR001 Protocol (Ortho-McNeil)

2001- 2002 Zolmitriptan in High Disability Patient Care: An Early Intervention Trial(ZODIAC study) Trial # 311CIL/0111 (Astra-Zeneca)

2001 Cranial Electrotherapy Stimulation trial (double-blind) Morphidex Study (Endo Laboratories) with nTouch Research  
MIND Study-Myobloc –Open-label use of botulinum toxin, type B, for various disorders (Elan Pharmaceuticals)

2001 International Registry KIMS study (Pharmacia)

2001 Sumatriptan IMPRESS study (GlaxoSmithKline Co)

2002 TOPMAT MIG001 (Double-blind investigation of topiramate in migraine headaches) (Ortho-McNeil)

2002 Oxcarbazepine in migraine headaches (double blind study- investigator-initiated study) (Novartis)

2003 Double-blind trial of botulinum toxin, type B, in headaches of cervical origin (Elan Pharmaceuticals)

2005- Regimen of Eszopiclone Sleep Satisfaction Trial (RESST<sup>®</sup>) (Sepracor)

2005 Divalproex sodium extended-release tablets for migraine prophylaxis in adolescents: an open-label, long-term safety study (Abbott Laboratories protocol #MO3-648)

2005 A multicenter, randomized, double-blind, placebo-v controlled, parallel group study to evaluate the safety and efficacy of lamotrigine 200-400 mg/day compared with placebo in subjects with painful diabetic neuropathy (GlaxoSmithKline NPP101982)

2005 A Randomized, Double- Blind, Placebo-Controlled, Multi-Center, Parallel-Group Study To evaluate the Efficacy and Safety of E2007 in Migraine Prophylaxis- Eisai 2005

2005 Divalproex Sodium Extended-Release Tablets for Migraine Prophylaxis in Adolescents: An Open-Label, Long-Term Safety Study- Abbott Laboratories

2005 A Randomized, open-label, parallel design trial to compare time to response in the symptoms of anxiety to concomitant treatment with Niravam and an SSRI or SSNRI to treatment with an SSRI or SNRI in subjects with Generalized Anxiety Disorder or Panic Disorder- Schwarz Pharma 2005

2005 Frovatriptan Perimenstrual Migraine Headache Study- (investigator-initiated ENDO Laboratories 2005

2005 Donepezil (Aricept) for Mild Cognitive Difficulties(MCD) After Traumatic brain Injury (TBI)- investigator-initiated funded study, Eisai/Pfizer- 2005

2006 A multicenter Study evaluating the efficacy and safety of Botox ( Botulinum Toxin Type A) Purified Neurotoxin Complex as headache Prophylaxis in Migraine Patients with 15 or more Headache Days per 4-week period in a 24 week, Double-blind, Randomized, Placebo-Controlled, Parallel-Group Phase Followed by a 32-Week Open-Label Extension Phase- Allergan 2005

2005 A Randomized, Double- Blind, Placebo Controlled, Two-Period, Crossover Study to Explore Safety and Preliminary Efficacy of Oral MK-0759 in the Treatment of Postherpetic Neuralgia.- Merck 2005

### **Clinical Experience:**

- 1971 - 1974 Volunteer work, Columbus Hospital, Emergency Room, New York City.
- 1977 - 1979 Volunteer worker, Hospital of the Medical College of Pennsylvania, Surgical and Medical Intensive Care Unit, Philadelphia, Pennsylvania.
- 1979 - 1980 Clinical rotation (externship), Cabrini Health Center, New York City (6 weeks), Emergency Room.
- 1984 - 1985 Physician, part-time, MacGregor Medical Clinic, Houston, Texas.
- 1985 - 1986 Neurology consultant, part-time, Long Island College Hospital, Brooklyn, New York.
- 1986 - 1987 Medical attending physician, part-time, Kings County Hospital, Forensic Unit of G Building, Brooklyn, New York (Psychiatric Hospital).
- 1986 - 1987 Adult ambulatory medicine physician, part-time, Brookdale Hospital Medical Center, Brooklyn, New York.
- 1987- Present Private practice Neurology, Dallas, Texas. Medical Director, Anodyne Headache, PainCare & Well-being
